For iPhone and iPad users, please download the Adobe Connect App for viewing the course.

This LIVE WEBINAR covers Chinese medicine food theory and treatments. Prof. Jeffrey Pang, L.Ac. presents dietetics history, treatments & special food preparations. The wisdom of dietetics from the Nei Jing is included along with an in-depth discussion of the five major grains and fruits of nourishment. Five Element theory and associated food indications & contraindications are reviewed. The nature of food is discussed in relation to pathogenic factors and toxicity. Food recipes for the treatment of menopause, pediatric disorders, headaches, high cholesterol, constipation and skin conditions are presented.

This course is approved for 6 California acupuncture CEUs (category 1, valid for in-person CEUs), 6 NCCAOM national Diplomate recertification PDAs (pending), 6 Florida CEs (general, pending), 6 general Texas CAEs (pending), 6 CAAA (Alberta) and 6 CTCMA (BC, Canada) CEs.
