

PID and Cervicitis LIVE WEBINAR B-2H

Date: February 16, 2013

Time: 10 am-12 noon, Pacific Time

Location: Internet Online Live Webinar

**The quiz and certificates of completion will be posted on the day of the event.**

*An email reminder with a link to the webinar will be sent to you prior to the webinar.*

*Please login with your HealthCMi username and password at least 20 minutes prior to the event at:*

**<http://healthcmi.adobeconnect.com/feb16/>**

For iPhone and iPad users, please download the Adobe Connect App for viewing the course.

This LIVE WEBINAR covers acupuncture, herbs, Chinese medicine theory and 'western' biomedicine diagnostics for the treatment and prevention of cervical infections, cervicitis and pelvic inflammatory disease (PID). Complications of PID including fallopian tube infections, menorrhagia, endometritis, dysmenorrhea, lower abdominal pain, leukorrhea, ectopic pregnancy and infertility are covered.
